

RALEIGH, N. C.

THE OLD NORTH STATE.

Small Items of a Newswy and Personal Character.

Special Dispatch to the Virginian.

RALEIGH, N. C., January 4.—It is said on good authority that more Republicans, members of the Legislature, than will admit the fact, do not want to see Marion Butler, the Populist, get the long term in the Senate. One member to day hinted at a possible "combination," but would go no further.

As soon as the weather opens a little work on the Confederate monument, at the Capitol square, is to begin. Material for use in building it is now being delivered there.

The Republicans who favored fusion appointed a committee of fifty and the duty of this, it seems, was to investigate and denounce all the Republicans who did not favor fusion. The committee has a list of about eighty, mainly colored, and in a circular publishes the names of twenty. It denounces these as traitors. One of those who are thus blacklisted is John H. Williamson, of Lenoir, ex member of the Legislature, and the "committee" says he "has sold more negroes than any speculator in the State."

Gov. Carr to day issued a commission to W. P. Shaw of Henderson as Solicitor of the Third district.

Commissions were issued to day to Roger A. Smith, of Goldsboro, as Major and Surgeon of the First Regiment; J. E. Malone, of Lenoir, Captain and Assistant Surgeon, and Rev. J. E. Thacker, of Oxford, Chaplain of the Third Regiment with the rank of Captain.

Frederick Woolcott, of this city, is the new Captain of the Governor's Guard, vice Alfred Williams, Jr., promoted Major of the First Regiment.

Edgar C. Hillyer, of Warwick county, Va., has bought property here, on which he is building an ice factory.

At Trinity College a 2 1/2 inch water pipe burst on the third floor of the building. It did considerable damage, as it was two hours before the flow of water was cut off.

There is a rumor that the Democrats want Senator Ransom as their next nominee for Governor. There is not a word of truth in it.

Two new patients at the insane asylum are being treated for singular delusions. One became insane on account of a sewing machine, the other on account of a cabinet organ.

Out of 731 blind children who are said by the census reports to be in this State, the authorities were able to get the names of only 125, and of these only forty-nine could be induced to enter the institution here. The ignorance of their parents and guardians is the cause of their not availing themselves of the great opportunity.

The trustees of the Oxford Orphan Asylum meet their to day to make the annual inspection and prepare the reports to Gov. Carr and to the Grand Lodge of Masons.

L. M. Little & Co. and C. J. Dry & Co., both firms doing a general merchandise business in Union county, have made assignments.

PERSONALS AND BRIEFS.

Items of a Personal and Newswy Character.

Special Dispatch to the Virginian.

ELIZABETH CITY, N. C., January 4.—Mr. S. Clifton Pool, who has been visiting Mr. C. C. Pool and family on East Lawrence street, left yesterday for Washington, D. C.

George Gould, the New York millionaire and railroad magnate, was expected to arrive here on the 11:30 train this morning, and to go on the yacht Nadia, now in this port, for a gunning trip up Currituck Sound. He did not arrive this morning, but may come on the 6 o'clock train this afternoon.

Mr. Ed. Shannon has reopened the billiard room at the Albemarle House, which had been closed for several weeks. The room as now fitted up is very convenient and comfortable.

The Browne Club has disbanded after an existence of several months. It was organized in October by the young society men of Elizabeth City for the purpose of giving balls and dances. Its bi-weekly german had become very popular and were always successful socially. The reason for disbandment given is that the Pasquo and Rifles, at their own disorganization, had given up the Army and that no suitable place to hold their german could be had.

The new pastor of the M. E. Church, Rev. Mr. Casted, was expected here this morning, but did not arrive.

The newly elected members of this county and district will leave town on Monday for Raleigh.

In Olden Times
People overlooked the importance of permanently beneficial effects and were satisfied with transient action; but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well informed people will not buy other laxatives, which act for a time, but finally injure the system.

Prior to stock-taking, February 1st, we will offer diamonds and watches at the very lowest figures to cash buyers. F. H. Gale, 152 Main street.

RHEUMATISM.

The Sure Cure is Dr. Greene's Nervura. Weak Kidneys, Weak Nerves, and Poor Blood Always Accompany Rheumatism. They Can All Be Cured by Dr. Greene's Nervura Blood and Nerve Remedy.

NATHAN G. BATCHELDER.

With rheumatism, come weak kidneys, weak nerves, poor blood. Weak kidneys mean death, because they lead to serious diseases, which always kill. The symptoms are weak back, pain in the back, bloating, muddy water, tired and languid feeling, gas in the stomach, loss of appetite, coated tongue, bad taste in the mouth, headache, dimness of vision, dryness of skin, and nervousness.

Just so surely as you have those symptoms your kidneys are out of order, and you need the one sure cure, Dr. Greene's Nervura blood and nerve remedy. Try a bottle and see how quickly those symptoms will vanish. It cures rheumatism, a most dangerous complaint, for it leads to fatal heart disease. Mr. Nathan G. Batchelder, of Hardwick, Vt., writes:

"A year ago I was badly bloated, and it was said I was going to die with the dropsy. I commenced taking Dr. Greene's Nervura blood and nerve remedy. At that time I was a sight to behold. My usual weight was 135 lbs., but I then weighed 185 lbs., from bloating. I also had rheumatism so that I could not get into a sleigh or wagon, and was bent over badly. My stomach was so bad that I could not digest my food, and it pained me a good deal. It had been in this condition for seven years before I began to take Dr. Greene's medicine, but since taking it I can eat as hearty meal as anybody. I have not been out in eight winters until this winter, but this winter I have been out constantly, and took care of my horse and drove frequently. After I got out, many of my friends did not know me I was so changed and looked so well."

"For years I only ate one slice of bread in one day, and drank one or two cups of tea, which was all I could eat, and I sometimes suffered from that."

BERKLEY BRIEFS.

Death of Mr. John R. Winder. Officials Take Holiday.

Mr. John R. Winder, father of Mr. A. L. Winder and Mrs. Capt. C. F. Hudgins, of this city, died Thursday night at his residence near Matthews Court House, Matthews county, Va., in the 74th year of his age. The deceased has been a sufferer from cancer for quite a while, and was aware that his death was near at hand, and was fully satisfied to go. He leaves a widow and eight children to mourn his death.

Mr. Charles Blvin succeeded in raising the large smoke stack for the Comer's new mill yesterday. Mayor McCoy, Sergeant Lindsay, Officer Hozier and Recorder Graves were allowed a day off yesterday, and they went out in the country to hunt for rabbits.

Rev. W. A. Slaymaker will preach to-morrow (Sunday) at the Armstrong Memorial Church at 11 a. m. and 7:30 p. m.

Carlton Cornwell, foreman of the Gazette, Middletown, N. J., believes that Chamberlain's Cough Remedy should be in every home. He used it for a cold and it effected a speedy cure. He says: "It is indeed a grand remedy. I can recommend to all. I have also seen it used for whooping cough, with the best results." 25 and 50 cent bottles for sale by all druggists.

IF YOUR BACK ACHES, Or you are all worn out, really good for nothing, it is general debility. Try BROWN'S IRON BITTERS. It will cure you, cleanse your liver, and give a good appetite.

"I was about as bad as a used up man as ever lived for a long time and I expected to die any time, but thanks to Dr. Greene's wonderful medicine I am greatly improved."

"Now all my blood is gone and I am as well of that as ever. My rheumatism is practically gone and my stomach is sound and digests my food perfectly and I sleep soundly. The doctor who treated me did me no good and he said I would not live six months I was in such bad order. Other doctors said it was the most remarkable case they had ever known, to have me come up the way I did. My case is widely known."

"I can recommend Dr. Greene's Nervura blood and nerve remedy as the best medicine I ever saw or heard of and I will cheerfully answer any inquiries about my case, but for seven years I could not write my name I was so trembly."

Mr. H. K. Kimball, druggist, of Hardwick, says: "I know of Mr. Nathan G. Batchelder's remarkable case, and the statement is true."

It cures quickly and permanently, rheumatism, neuralgia, kidney and liver disease, and makes good blood and strong nerves. Everybody, both physicians and the people everywhere acknowledge Dr. Greene's Nervura blood and nerve remedy to be the greatest known cure for disease. People who take it get well.

Why waste time in trying uncertain and untried remedies, when here is a physician's prescription, a discovery made by the greatest living specialist in curing nervous and chronic diseases, Dr. Greene, of 35 West 14th St., New York City. If you take this medicine you can consider yourself under Dr. Greene's direct professional care, and you can consult him or write to him about your case, freely and without charge. This is a guarantee that this remedy will cure, possessed by no other medicine in the world.

What idea does the price in the newspaper convey to you of the Appearance and Value of a Suit?

Absolutely none. You need to see the clothes. Suppose we just say, "We have Suits from Eight Dollars to Twenty-five; Overcoats from Twenty-five to Forty-five, and every garment has all the value we can afford to crowd into it at the price."

You are not fool. You expect to see a difference between an Eight Dollar Suit and one at twenty-five. Let us see a Ten Dollar Overcoat and a T.irty. Can you buy as good a house for two thousand dollars as you can for five thousand? Can you get as many apples for a "quarter" as you can for a dollar? Clothes are like any other commodity; you get Value according to the money you pay.

And you want to see to it that you buy Sound Apples, and houses that will not tumble down.
